

# Atom™

Big enough to entertain a crowd, small enough to carry around, and vibrant enough to transform any space into a mesmerizing light show.

  
HiTfAR  
we've got it.™

FonIQ®

**NEW!**

# Atom™

Perfect for any backyard throwdown, block party, or dorm room bash! With brilliant colour-changing LEDs, wireless mic, and loads of power the Atom™ is the party speaker that lights up the night.

Atom™ is IPX4 water resistant rated, meaning it can handle splashes, making it a great companion around the pool.
