

Aegis 110

1080P Full HD Body Cam

The MyGekoGear Aegis 110 Body Cam is the best wearable security tech to take with you anywhere, recording in up to 1080P Full HD quality for crystal clear video. Utilizing 110° wide-angle lens and 64GB of built-in memory, it can record for up to 10 hours of continuous recording. Afterwards, easily review your recorded footage on the 2" LCD screen or transfer your videos to a PC/Mac with the supplied USB cable. Equipped with infrared night vision and LED flashlight, record up to 10 feet in front of you in total darkness. With unmatched durability and IP65 water resistance, it can withstand even the harshest weather conditions. Perfect to use professionally for security, police officers and other Military/LEO personnel.

Full HD 1080P

The Aegis 110 Body Cam records at 1080P Full HD with a 110° wide-angle lens to capture all the important details in the field and provide key evidence when you need it the most.
