

We're Raising the Bar on Cell Signal Coverage

weBoost is the leading manufacturer of consumer cell signal boosters. From your home to your workplace or even in your car, our boosters are designed to provide you with the most powerful cell signal possible.

weBoost cell signal boosters share these great features:

- Stops dropped calls and missed messages while improving streaming
- Supports all cell phones and devices on all major Canadian carriers
- Simultaneously boosts signal for multiple users*

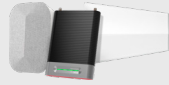

How weBoost cell signal boosters work

- 1 OUTSIDE ANTENNA**
Receive cell signal from the tower and transmitted to the booster.
- 2 BOOSTER**
Amplifies the outside cell signal and sends it to the inside antenna.
- 3 INSIDE ANTENNA**
Broadcasts the amplified cell signal to nearby cellular phones and devices.
